TECHNICAL COMPLETENESS FOR PERMIT RENEWAL APPLICATION FOR  
EXPLOSIVE ORDNANCE DISPOSAL RANGE AT THE VANDENBERG AIR FORCE  
BASE, EPA ID NUMBER CA9570025149

Dear Ms. Kephart:

The Department of Toxic Substances Control (DTSC) has completed the technical review of the revised Permit Application dated August 2007 for the Explosive Ordnance Disposal (EOD) Range at Vandenberg Air Force Base.

DTSC considers the Permit Application listed above to be technically complete. DTSC will be proposing to approve the permit application and a California Environmental Quality Act (CEQA) Negative Declaration.

The draft Permit, proposed CEQA Negative Declaration and Administrative Record will be made available for public review and comment during the forty-five day comment period. DTSC will also hold a public meeting prior to the issuance of a final permit decision. If DTSC determines that additional information is needed to clarify, modify or supplement previously submitted material, DTSC reserves the right to require this information from the Vandenberg Air Force Base. You will receive soon a notice of public comment period and public meeting for the draft permit.

Ms. Beatrice L. Kephart
